

Four of a Kind - Rivers

Group the words below into 4 of a kind. Explain your groupings.

Traction	Delta	Gorge	Flood relief channels
Flood plain	V-shaped valley	Dam	Solution
Managed flooding	Saltation	Levee	Flood plain zoning
Waterfall	River straightening and engineering	Meander	Flood warnings and preparation
Afforestation	Mudflat	Suspension	Embankments

Can't work it out? How many key words can you define?

Challenge: Create your own four of a kind for this topic.
