

## Four of a Kind - Coastal Environments

Group the words below into 4 of a kind. Explain your groupings.

Fetch	High wave height	Short wave length	Air Pressure
Strong Swash	Corrasion	Slumping	Abrasion
Landslide	Long wave length	Strong Backwash	Weak Backwash
Weak swash	Attrition	Wind Speed	Mud flow
Wind Duration	Rock fall	Hydraulic action	Low wave height

Can't work it out? How many key words can you define?

Challenge: Create your own four of a kind for this topic.
